Republicans want to privatize Iowa - Medicaid, vouchers, and now IPERS and corrections health care. Public workers do it better and are accountable to their communities! Stop selling off Iowa jobs, stand with public workers. #ThankAUnion.

Corporate lobbyists have spent decades making it harder for Iowa workers to form unions. The PRO Act can flip the script. This #SolidaritySeptember, tell our lawmakers: stop carrying water for CEOs and pass the PRO Act. #ThankAUnion

When a fellow worker is hurt, sick or in need, unions show up. With groceries. With rent money. With a picket line. Solidarity isn't a slogan. It's how we survive. #ThankAUnion

Gen Z is the most pro-union generation in decades and they're right. Unions give young workers the power to demand fair wages, safe workplaces, and a future they can actually afford. Welcome to the movement. #ThankAUnion
